Historically only the leaves were eaten while the beet root was used as medicine to deal with a range of illnesses, such as fever, constipation and skin problems.	13 14 15
Beetroots have a range of nutrients including iron and folate. They also contain nitrates, betaine, magnesium and other antioxidants.	16 17 18
Some believes that drinking beetroot juice can help to lower your blood pressure, boost your energy levels and prevent dementia. The NHS has teamed up with the British Dietetic Association to see if this is supported by evidence.	19 20 21 22
Blood Pressure: The nitrates found in beetroots convert into nitric oxide in the body, which is thought to lower blood pressure. A 2013 study concluded that this is very possible.	23 24 25 26
Can beetroot juice increase your energy output? Another study from 2013 found that individuals who did very little exercise saw "moderate improvements" in exercise performance. However, elite athletes saw little to no improvements.	27 28 29 30
Does beetroot prevent dementia? A study from 2010 showed that beetroot juice increases blood flow to certain parts of the brain. However, this was a short-term study and did not provide concrete evidence that it helps with cognitive function.	31 32 33 34
Alison Hornby, a dietitian and BDA spokesperson, says: "Beetroot and beetroot juice, along with green leafy vegetables, cabbage and celery, are very useful as part of a balanced diet as their nitrate content may help to reduce blood	35 36 37 38

Dear Thomas	4
	5
I hope you are doing well. It's been a while since we last saw each other and we	6
are due a catch up. Your mother tells me all about you. I hear that you are	7
playing tennis now and that you are rather good. That's great to know. I used to	8
played when I was a girl at high school. I loved it!	9
	10
I have just got back from my trip to the Amazon and it was just splendid! As you	11
know, I'm a keen bird watcher and I went there with a group of bird watching	12
companions. There were eight of us in total. All lovely people and we got along just fine.	13 14
just me.	15
We stayed in a wonderfull hotel which was situated right in the middle of the	16
jungle. All through the night you could hear sounds from hundreds of different	17
animals coming from all around you. It was actually hard to sleep at times.	18
	19
We did all sorts of activities from hiking to night walks. My favourite part of the	20
trip has to be when we went kayaking down the Tambopata River, it was a real	21
adventure. I saw all sorts of exotic animals, such as monkeys and I even	22
spotted a jaguar which I managed to capture on camera. And don't worry, I	23
spotted some beautiful birds too, including a Bat Falcon. I'll have to show you	24
my pictures when you next visit.	25
	26
I hope you're still enjoying your classes at school and I am really looking	27
forward to seeing you again.	28
Love Grandma
